

bulk concentrated fluid milk products from pool plants, other order plants and unregulated supply plants;

(e) Add the amount obtained from multiplying the difference between the Class I price applicable at the location of the transferor-plant and the Class III price by the hundredweight of skim milk and butterfat subtracted from Class I pursuant to § 1106.44(a)(7) (v) and (vi) and the corresponding step of § 1106.44(b);

(f) Add the amount obtained from multiplying the Class I price applicable at the location of the nearest unregulated supply plants from which an equivalent volume was received by the pounds of skim milk and butterfat in receipts of concentrated fluid milk products assigned to Class I pursuant to §§ 1106.43(d) and 1106.44(a)(7)(i) and the pounds of skim milk and butterfat subtracted from Class I pursuant to § 1106.44(a)(11) and the corresponding steps of § 1106.44(b), excluding such skim milk and butterfat in receipts of bulk fluid milk products from an unregulated supply plant to the extent that an equivalent amount of skim milk or butterfat disposed of to such plant by handlers fully regulated under any Federal milk order is classified and priced as Class I milk and is not used as an offset for any other payment obligation under any order;

(g) Subtract for a handler described in § 1106.9(c) the amount obtained from multiplying the Class III price for the preceding month by the hundredweight of skim milk and butterfat contained in inventory at the beginning of the month that was delivered to another handler's pool plant during the month;

(h) Subtract, for reconstituted milk made from receipts of nonfluid milk products, an amount computed by multiplying \$1.00 (but not more than the difference between the Class I price applicable at the location of the pool plant and the Class III price) by the hundredweight of skim milk and butterfat contained in receipts of nonfluid milk products that are allocated to Class I use pursuant to § 1106.43(d);

(i) Exclude, for pricing purposes under this section, receipts of nonfluid milk products that are distributed as labeled reconstituted milk for which payments are made to the producer-

settlement fund of another order under § 1106.76 (a)(5) or (c); and

(j) For pool plants that transfer bulk concentrated fluid milk products to other pool plants and other order plants, add or subtract the amount per hundredweight of any class price change from the previous month that results from any inventory reclassification of bulk concentrated fluid milk products that occurs at the transferee plant. Any such applicable class price change shall be applied to the plant that used the concentrated milk in the event that the concentrated fluid milk products were made from bulk unconcentrated fluid milk products received at the plant during the prior month.

[47 FR 53694, Nov. 29, 1982, as amended at 58 FR 27881, May 11, 1993]

#### **§ 1106.61 Computation of uniform price.**

The market administrator shall compute for each month the uniform price per hundredweight for milk of 3.5 percent butterfat content as follows:

(a) Combine into one total the values computed pursuant to § 1106.60 for all handlers who filed the reports prescribed in § 1106.30 for the month and who made the payments pursuant to § 1106.71 for the preceding month;

(b) Add not less than one-half of the unobligated balance in the producer-settlement fund;

(c) Add the aggregate of all minus location adjustments and subtract the aggregate of all plus location adjustments computed pursuant to § 1106.75;

(d) Divide the resulting amount by the sum of the following for all handlers included in these computations;

(1) The total hundredweight of producer milk; and

(2) The total hundredweight for which a value is computed pursuant to § 1106.60(f); and

(e) Subtract not less than 4 cents nor more than 5 cents. The result shall be the "uniform price" for milk received from producers.

#### **§ 1106.62 Announcement of uniform price and butterfat differential.**

The market administrator shall announce publicly on or before:

§ 1106.70

7 CFR Ch. X (1–1–99 Edition)

(a) The fifth day after the end of each month the butterfat differential for such month; and

(b) The 11th day after the end of each month the applicable uniform price pursuant to § 1106.61 for such month.

PAYMENTS FOR MILK

**§ 1106.70 Producer-settlement fund.**

The market administrator shall establish and maintain a separate fund known as the “producer-settlement fund” into which he shall deposit all payments made by handlers pursuant to §§ 1106.71, 1106.76, and 1106.77, and from which he shall make all payments pursuant to §§ 1106.72 and 1106.77, except that payments to a cooperative association pursuant to § 1106.72 shall be offset by any payments due from such cooperative association pursuant to § 1106.71 that have not been received by the market administrator.

**§ 1106.71 Payments to the producer-settlement fund.**

(a) Subject to paragraph (d) of this section, each handler shall pay to the market administrator on or before the 14th day after the end of the month the amount, if any, by which the amount specified in paragraph (a)(1) of this section exceeds the amount specified in paragraph (a)(2) of this section:

(1) The total value of milk of the handler for such month as determined pursuant to § 1106.60.

(2) The sum of:

(i) The value at the uniform price, as adjusted pursuant to § 1106.75, of such handler's receipts of producer milk and milk received from handlers pursuant to § 1106.9(c). In the case of a cooperative association which is a handler, less the amount due from other handlers pursuant to § 1106.73(d), exclusive of differential butterfat values; and

(ii) The value at the uniform price applicable at the location of the plant from which received of other source milk for which a value is computed pursuant to § 1106.60(f).

(b) Subject to paragraph (d) of this section, each person who operated a plant that was regulated during such month under an order providing for individual-handler pooling shall pay to the market administrator on or before

the 25th day after the end of each month an amount computed as follows:

(1) Determine the quantity of reconstituted skim milk in filled milk in route disposition from such plant in the marketing area which was allocated to Class I at such plant. If there is such route disposition from such plant in marketing areas regulated by two or more marketwide pool orders, the reconstituted skim milk allocated to Class I shall be prorated to each order according to such route disposition in each marketing area; and

(2) Compute the value of the reconstituted skim milk assigned in paragraph (b)(1) of this section to route disposition in this marketing area by multiplying the quantity of such skim milk by the difference between the Class I price under this part that is applicable at the location of the other order plant (but not to be less than the Class III price) and the Class III price.

(c) Any handler who the market administrator determines was more than 3 days late in making any payment obligation under part 1106 shall pay to the market administrator the amount the handler would have otherwise been required to pay to producers and cooperative associations pursuant to § 1106.73. Payment shall be made to the market administrator on or before the day prior to the dates specified in § 1106.73 and such payments shall continue until the handler has met all payment obligations for 3 consecutive months.

(d) The following conditions shall apply with respect to payments prescribed in paragraphs (a), (b) and (c) of this section:

(1) Payments to the market administrator shall be deemed not to have been made until such payments have been received by the market administrator.

(2) If the date by which payments must be received by the market administrator falls on a Saturday or Sunday or any day that is a national holiday, payments shall not be due until the next day on which the market administrator's office is open for public business.

(3) Payments due the market administrator from a cooperative association handler may be offset by payments determined by the market administrator
